e-Birth - Medical form		
Data Element	Description	Possible values
TRACKING & STATUS INFORMATION		
Version		
Identification number	Identification number of the socio-economic form (link to the medical form). The contents of this field is anonymized to comply with specific privacy regulations.	
Submission timestamp	Date and time of submission of the medical form	
Status		SUBMITTED CLOSED
BIRTH NOTIFICATION (INFORMATION AS PROVIDED BY THE HOSPITAL / MEDICAL PRACTITIONER)		
City of Birth		
City of Birth - NIS code	NIS code of the city of birth	List of NIS code for Belgian cities available in annex.
Identification of the Parents		
Mother - Zipcode	Postal code of the address where the mother lives. Information provided by the medical practitioner and/or hospital.	
Mother - Birth date	Birth date of the mother. Information provided by the medical practitioner and/or hospital.	
Identification of the Baby		
Gender	Gender of the baby	1 Male
		2 Female
		3 Undetermined
Date of birth	Baby's date of birth	
Time of birth	Baby's time of birth	
Information related to the Birth		
Pregnancy and delivery data		
Baby's resulting from a multiple pregnancy	To identify if the baby is part of a multiple birth	1 Yes
		2 No
Rank number of the concerned child	Rank of the baby in question regard to the other baby's coming from the same delivery	
MEDICAL FORM		
Partus Number		
Partus Number - Year	Identification number attributed by the hospital to every birth of a baby.	
Partus Number - Sequence Number	Identification number attributed by the hospital to every birth of a baby.	
Partus Number - Rank	Identification number attributed by the hospital to every birth of a baby.	
Mother's data		
Weight Mother Before	Weight of the mother before the current pregnancy in kg.	
Weight Mother At Entry	Weight of the mother at her entrance in the delivery room in kg.	
Height Mother	Height of the mother in cm.	
Previous childbirths		
Previous Childbirth	Question to know if the mother has already given birth to a baby (born-alive or stillborn).	1 Yes
		2 No
Babies Born Alive	Total number of born-alive baby(s) from all previous pregnancies	
Birth Date Last Born Alive	Date of birth of the last baby born alive?	
Previous Stillborn Delivery	Has the mother given birth to a stillborn baby (500 g and/or 22 weeks) since the delivery of this last born alive baby.	1 Yes
		2 No
Previous Caesarian Section	Did a previous delivery happened by a caesarian section?	1 Yes
		2 No

Current pregnancy			
Parity	Parity This delivery included - all alive or still born babies Definition to be used to consider a delivery of a stillborn baby : 1) > 500 gr 2) > 22 weeks 3) > 25 cm Multiple pregnancies do not impact the parity		
Pregnancy Origin	The origin of this pregnancy.	1	Spontaneous
		2	Hormonal
		3	IVF
		4	ICSI
		9	Not asked
Hypertension	To know if hypertension ($\geq 140 / \geq 90$ mm Hg) was diagnosed	1	Yes
		2	No
		9	Unknown
Diabetes	To know if diabetes was diagnosed	1	Yes
		2	No
		9	Unknown
HIV	To know if HIV was diagnosed or tested	1	Positive
		2	Negative
		3	Not tested
		9	Unknown

Delivery			
Pregnancy Duration	The length of the pregnancy in full weeks		
Duration Confidence	The confidence with the provided pregnancy duration.	1	Sure
		2	Estimation
Position At Birth	The position of the child at time of birth	1	Head-down position
		2	Other head presentation
		3	Breech presentation
		4	Transverse (oblique) presentation
		9	Unknown
Induction Delivery	To determine whether the delivery process was started in an artificial way (use of medicines or by breaking the membranes).	1	Yes
		2	No
Epidural Analgesia Rachi	To determine if Epidural analgesia and/or Rachi was observed.	1	Yes
		2	No
Foetal Monitoring CTG	Monitoring (control) foetal - CTG	1	Yes
		2	No
Foetal Monitoring STAN-Monitor	Monitoring (control) foetal - STAN-Monitor	1	Yes
		2	No
Foetal Monitoring MBO	Monitoring (control) foetal - MBO (micro blood examination)	1	Yes
		2	No
Foetal Monitoring Intermittent Auscultation	Monitoring (control) foetal - Intermittent auscultation	1	Yes
		2	No
Colonization Streptococcus B	To determine if Colonization Streptococcus of B group was observed.	1	Positive
		2	Negative
		3	Not tested
Intrapartur Operation SGB Prophylaxis	To determine if Intrapartur operation of SGB prophylaxis (peni, ampi) was the case or not observed or not.	1	Yes
		2	No
Delivery Way	To determine how the delivery happened.	1	Spontaneous (head)
		2	Vacuum extraction
		3	Forceps
		4	Primary caesarian
		5	Secondary caesarian
		6	Vaginal breech
Episiotomy	To determine if it was the case or not	1	Yes
		2	No
Previous Caesarean Section	Indication(s) for caesarean section - previous caesarean section	1	Yes
		2	No
Breech Presentation	Indication(s) for caesarean section - position deviation	1	Yes
		2	No
Transverse Presentation	Indication(s) for caesarean section - position deviation	1	Yes
		2	No
Foetal Distress	Indication(s) for caesarean section - foetal distress	1	Yes
		2	No
Dystocie Not In Labour	Indication(s) for caesarean section - dysproportion (foeto-pelvic), not in labour	1	Yes
		2	No

Dystocie In Labour Insufficient Dilatation	Indication(s) for caesarean section - dystocie, in labour	1	Yes
		2	No
Dystocie In Labour Insufficient Expulsion	Indication(s) for caesarean section - dystocie, in labour	1	Yes
		2	No
Maternal Indication	Indication(s) for caesarean section - maternal indication	1	Yes
		2	No
Abruptio Placentae	Indication(s) for caesarean section - abruptio placentae, placenta praevia	1	Yes
		2	No
Requested By Patient	Indication(s) for caesarean section - requested by patient without medical indication	1	Yes
		2	No
Multiple Pregnancy	Indication(s) for caesarean section - multiple pregnancy	1	Yes
		2	No
Other	Indication(s) for caesarean section - other (to be specified)	1	Yes
		2	No
Other Description	Description of the other indication(s) for caesarean section		
Breast Feeding	Question to know if the mother thinks to breast-feed her baby (babies).	1	Yes
		2	No

State at birth			
Weight At Birth	The weight of the baby at birth in grams		
Apgar 1	Apgar score after 1 minute		
Apgar 5	Apgar score after 5 minutes		
Artificial Respiration	Has artificial respiration has been given to the newborn baby?	1	Yes
		2	No
Artificial Respiration Type	The kind of artificial respiration given to the newborn baby	1	Artificial respiration with balloon and mask
		2	Artificial respiration with intubation
Transfer Neonatal	Inform if the baby has been transferred to a neonatal department within the 7 days following the birth.	1	Yes
		2	No
Transfer Neonatal Type	Here the type of neonatal department has to be chosen	1	N*-department
		2	NIC-department
Congenital Malformation	Identify if the baby suffers of congenital malformation (detected at birth)	1	Yes
		2	No
Anencephalia	Congenital Malformation - Anencephalia	1	Yes
		2	No
Spina bifida	Congenital Malformation - Spina bifida	1	Yes
		2	No
Hydrocephalia	Congenital Malformation - Hydrocephalia	1	Yes
		2	No
Split Lip Palate	Congenital Malformation - split lip/palate	1	Yes
		2	No
Anal Atresia	Congenital Malformation - anal atresia	1	Yes
		2	No
Members Reduction	Congenital Malformation - members reduction	1	Yes
		2	No
Diaphragmatic Hernia	Congenital Malformation - diaphragmatic hernia	1	Yes
		2	No
Omphalocele	Congenital Malformation - omphalocele	1	Yes
		2	No
Gastroschisis	Congenital Malformation - gastroschisis	1	Yes
		2	No
Transpositie Grote Vaten	Congenital Malformation - transpositie grote vaten	1	Yes
		2	No
Afwijking Long	Congenital Malformation - afwijking long (CALM)	1	Yes
		2	No
Atresie Dundarm	Congenital Malformation - atresie dundarm	1	Yes
		2	No
Nier Âgenese	Congenital Malformation - nier agenese	1	Yes
		2	No
Craniosynostosis	Congenital Malformation - craniosynostosis	1	Yes
		2	No
Turner syndrome (XO)	Congenital Malformation - turner syndrom (XO)	1	Yes
		2	No
Obstructieve Defecten Nierbekken Ureter	Congenital Malformation - obstructieve defecten nierbekken en ureter	1	Yes
		2	No
Tetralogie Fallot	Congenital Malformation - tetralogie Fallot	1	Yes
		2	No

Oesofagale Atresie	Congenital Malformation - oesofagale atresie	1	Yes
		2	No
Atresie Anus	Congenital Malformation - atresie anus	1	Yes
		2	No
Twin To Twin Transfusiesyndroom	Congenital Malformation - twin-to-twin transfusiesyndroom	1	Yes
		2	No
Skeletdysplasie Dwerggroei	Congenital Malformation - skeletdysplasie/dwerggroei	1	Yes
		2	No
Hydrops Foetalis	Congenital Malformation - hydrops foetalis	1	Yes
		2	No
Poly Multikystische Nierdysplasie	Congenital Malformation - poly/multikystische nierdysplasie	1	Yes
		2	No
VSD	Congenital Malformation - VSD	1	Yes
		2	No
Atresie Galwegen	Congenital Malformation - atresie galwegen	1	Yes
		2	No
Hypospadias	Congenital Malformation - hypospadias	1	Yes
		2	No
Cystisch Hygroma	Congenital Malformation - cystisch hygroma	1	Yes
		2	No
Trisomie 21	Congenital Malformation - trisomie 21	1	Yes
		2	No
Trisomie 18	Congenital Malformation - trisomie 18	1	Yes
		2	No
Trisomie 13	Congenital Malformation - trisomie 13	1	Yes
		2	No

Hospital & Medical Practitioner

Medical Practitioner - Name	Name of the medical profile who provided the medical information	
Medical Practitioner - First Name	First name of the medical profile who provided the medical information	
Medical Practitioner - RIZIV number	RIZIV/INAMI number of medical profile who provided the medical information	
Hospital code	RIZIV/INAMI number of the hospital where the baby is born	
Campus code	Unique number of the hospital campus where the baby is born	

e-Birth - Socio-economic form

Data Element	Description	Possible values
--------------	-------------	-----------------

TRACKING & STATUS INFORMATION

Version

Identification number	Identification number of the socio-economic form (link to the medical form). The contents of this field is anonymized to comply with specific privacy regulations.	
Submission timestamp	Date and time of submission of the socio-economic form	
Status		SUBMITTED CANCELLED
Origin	Is this birth file initially created by a hospital / medical practitioner or by a city?	1 Hospital or medical practitioner 2 City

BIRTH NOTIFICATION (INFORMATION VALIDATED BY BURGERLIJKE STAND / ÉTAT CIVIL)

City of Birth

City of Birth - NIS code	NIS code of the city of birth	List if NIS code for Belgian cities available in annex.
City of Birth - District code	District code of the city of birth (only applicable for Antwerpen, Tournai).	List of district codes for Antwerpen and Tournai available in annex.

Identification of the Parents

Mother - Zipcode	Postal code of the address where the mother lives. Information validated by Burgerlijke Stand / État Civil.	
------------------	---	--

Mother - Country	Country where the mother lives. Country / nationality code. Information validated by Burgerlijke Stand / État Civil.	List if Geobel codes used to identify countries and territories available in annex.
Mother - Nationality	Current nationality of the mother. Country / nationality code. Information validated by Burgerlijke Stand / État Civil.	List if Geobel codes used to identify countries and territories available in annex.
Mother - Birth date	Birth date of the father. Information validated by Burgerlijke Stand / État Civil.	
Father - Nationality	Current nationality of the father. Country / nationality code. Information validated by Burgerlijke Stand / État Civil.	List if Geobel codes used to identify countries and territories available in annex.
Father - Birth date	Birth date of the father. Information validated by Burgerlijke Stand / État Civil.	

Identification of the Baby

Gender	Gender of the baby	1	Male
		2	Female
		3	Undetermined
Date of birth	Baby's date of birth		
Time of birth	Baby's time of birth		

Information related to the Birth

Birth Place Type	Type of place where the baby is born	1	Hospital
		2	Other
		3	Home
Birth Place Type Other	Explication where the baby is born if it is not in a hospital or at home		
City of Birth - Postal Code	Postal code of the city where the baby is born		

Pregnancy and delivery data

Baby's resulting from a multiple pregnancy	To identify if the baby is part of a multiple birth	1	Yes
		2	No
Total babies born, stillborn included	Total of baby's born in this delivery, stillborn included		
Rank number of the concerned child	Rank of the baby in question regard to the other baby's coming from the same delivery		
Structure by sex	Structure by sex of the multiple pregnancy	1	Same genders
		2	Different genders
Number of stillborn children	Number of stillborn children in this multiple pregnancy		

SOCIO-ECONOMIC FORM

Birth Certificate Number

Number birth certificate	Number of the birth act completed by the Burgerlijke Stand/ État Civil agent.	
--------------------------	---	--

Information related to the Mother

Mother Previous Nationality	Previous nationality of the mother. Country / nationality code. Information validated by Burgerlijke Stand / Etat Civil	List if Geobel codes used to identify countries and territories available in annex.	
Mother Education Level	Highest education level achieved or highest education diploma for the mother.	1	Pas d'instruction ou primaire non achevé
		2	Enseignement primaire
		3	Enseignement secondaire inférieur
		4	Enseignement secondaire supérieur
		5	Enseignement supérieur non universitaire
		6	Enseignement universitaire
		8	Autre
		9	Inconnu
		Mother Professional Situation	Current professional situation of the mother.
2	Femme/Homme au foyer		
3	Étudiant(e)		
4	Chômeur(se)		
5	Pensionné(e)		
6	Incapacité de travail		
7	Autre, précisez		
9	Inconnu ou non déclarée		
Mother Other Professional Situation	If option other is chosen for the current professional situation, a description must be provided.		

Mother Social State	Social state in the mother's current profession or for retired or unemployed worker in the last profession.	1	Indépendant(e)
		2	Employé(e)
		3	Ouvrier(ère)
		4	Aidant(e)
		5	Sans statut
		6	Autre, précisez
		9	Inconnu ou non déclarée
Mother Other Social State	If option other is chosen for the social state in the current profession, a description must be provided.		
Mother Current profession	Current profession of the mother.	Note : if the web application is used, a profession is proposed based on the initial characters entered by the user.	
Mother Usual Place Of Living - Municipality code	Usual place of living of the mother. NIS-code of the municipality (only if country is Belgium, without district code).	List if NIS code for Belgian cities available in annex.	
Mother Usual Place Of Living - Country	Usual place of living of the mother. Country / nationality code.	List if Geobel codes used to identify countries and territories available in annex.	
Mother Usual Place Of Living - Description	Usual place of living of the mother. Free text description.		
Mother Civil Status	Civil status of the mother.	1	Célibataire
		2	Mariée
		3	Veuve
		4	Divorcée
		5	Légalement séparée de corps
		9	Inconnu
Mother Cohabitation	Does the mother live with her partner?	1	Oui, cohabitation légale
		2	Oui, en union (mariage)
		3	Oui, cohabitation de fait
		4	Non
Mother Cohabitation Date	Date of the current wedding or of the (cohabitation légale/ wettelijke samenwoning) with her partner.		

Information related to the Father			
Father Previous Nationality	Previous nationality of the father. Country / nationality code. Information validated by Burgerlijke Stand / État Civil.	List if Geobel codes used to identify countries and territories available in annex.	
Father Education Level	Highest education level achieved or highest education diploma for the father.	1	Pas d'instruction ou primaire non achevé
		2	Enseignement primaire
		3	Enseignement secondaire inférieur
		4	Enseignement secondaire supérieur
		5	Enseignement supérieur non universitaire
		6	Enseignement universitaire
		8	Autre
		9	Inconnu
Father Professional Situation	Current professional situation of the father.	1	Actif/Active
		2	Femme/Homme au foyer
		3	Étudiant(e)
		4	Chômeur(se)
		5	Pensionné(e)
		6	Incapacité de travail
		7	Autre, précisez
		9	Inconnu ou non déclarée
Father Other Professional Situation	If option other is chosen for the current professional situation, a description must be provided.		
Father Social State	Social state in the father's current profession or for retired or unemployed worker in the last profession.	1	Indépendant(e)
		2	Employé(e)
		3	Ouvrier(ère)
		4	Aidant(e)
		5	Sans statut
		6	Autre, précisez
		9	Inconnu ou non déclarée
Father Other Social State	If option other is chosen for the social state in the current profession, a description must be provided.		
Father Current profession	Current profession of the father.	Note : if the web application is used, a profession is proposed based on the initial characters entered by the user.
